FRIENDS

those of the past, present, and those yet to be.
Especially community, parents, teachers, &
anyone who has helped us in anyway.

FRIENDSHIP

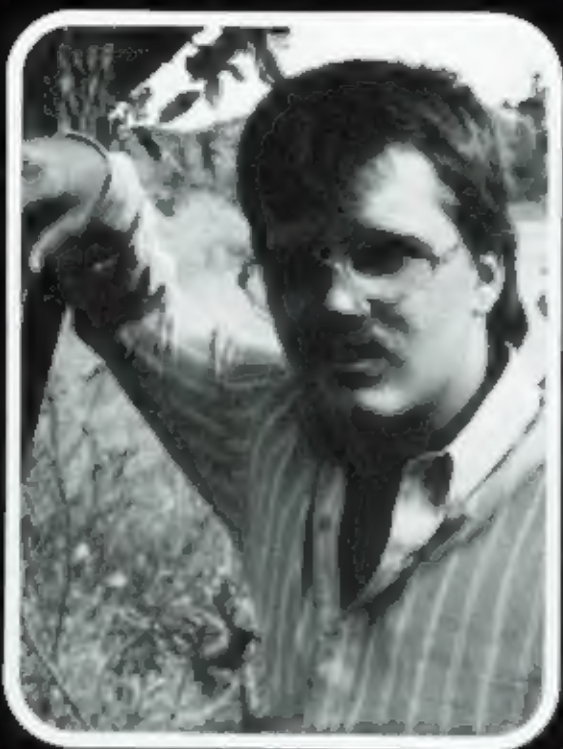

You do not need a score of men to laugh and sing with you;
You can be rich in comradeship with just a friend or two.
You do not need a monarch's smile to light your way along;
Through weal or woe a friend or two will fill your days with song.
So let the many go their way, and let the throng passby;
The crowd is but a fickle thing which hears not when you sigh.
The multitude is quick to run in search of favorites new,
and all that man can hold for grief is just a friend or two.
When winds of failure start to low, you'll find the throng has gone —
The splendor of a brighter flame will always lure them on;
But with the ashes of your dreams, and all you hoped to do,
You'll find that all you really need is just a friend or two.
You cannot know the multitude, however hard you try:
It cannot sit about your hearth; it cannot hear you sigh;
It cannot read the heart of you, or know the hurts you bear;
Its cheers are all for happy men and not for those in care.
So let the throng go on its way and let the crowd depart;
But one or two will keep the faith when you are sick at heart;
And rich you'll be, and comforted, when gray skies hide the blue,
If you can turn and share your grief with just a friend or two.

Living Juniors

Queen of the Mountain?? Mrs Camin and her Juniors!!!

Junior Class Officers for the 1986-87 year bring Aaron into the President position. Lori was elected to secretary-treasurer, Rhonda and Tammy W. to Vice-President Tammy M. to Student Council, and Laura to Class Reporter. They held two cake raffles in order to raise money for activities. Their Junior-Senior Prom, held on April 11, was deemed a success, while Fund Raisers to supplement costs include the Community Auction at which the Juniors served lunch. They were helped tremendously in these activities by their sponsor, Mrs. Camin.

Sassy Sophomores? If you don't believe it just take a look at these faces. All ready to mouth off some inane remark. Although there have been a few times that some tongues were tied. Remember when Kelly invented a new purpose for the spiral notebook wire and earned the nickname "Boing"? Or how David prefers to laugh with his mouth wide open but not make a sound. Randy didn't say much when everyone thought his notebook had a peculiar odor to it. How about when Lisa married David and she was only fourteen?? Monica had a hard time deciding on whether to go for the older men or younger.

But no matter what they did, they usually did it as a class. They are pictured here with their sponsor David Schmitz. He helped them in their fundraising activities of cake raffles and selling novelties. The Sophomore class also planned the Initiation Rollerskating Party.

UNDER INSPECTION

Where did he go? That was the question on everybody's mind when Mrs. Lechtenberg's room lost their rat. The case turned out to be just as mysterious as an escape from prison. The students have their own idea about where he might be. Most of the girls just thought it died and are rather glad, too. Melanie thinks he got out of his cage and ran away. Casey thought someone ate him and Chuck believes that he wandered off to the closet and got lost. Mrs. Lechtenberg felt he was viciously stolen-maybe even an inside job??

THE BEST OF TIMES

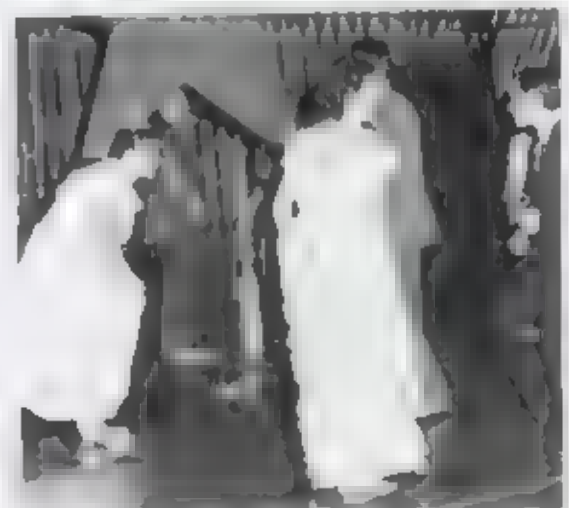

The Best Of Times, the Naper Junior-Senior Prom was held on April 11th, 1987. The Banquet was catered by the Tee-Pee Cafe of Bonesteel, S.D. and music was provided by TEAM. Colors were Sky Blue and Metallic Silver and decorations were done by the Junior Class, pictured in the large picture on the top right. Seniors are pictured in the large picture on the top left.

Poem

To The Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
We'll miss you when you've gone
And to the class of '87
We dedicate our Prom

in

COLORADO

On April 29th at 7 p.m. the Senior Class and their fearless leaders, Bryon and Sharon Vogt, snuk away to Colorado. Most of them didn't see much or say much on the way, but thanks to Bryon they safely made it into Denver around 4 a.m. After a brief nap at a rest area, they started on their way to Colorado Springs. They visited Seven Falls; the Hall of Presidents, where Dion startled a few of the girls; Garden of the Gods; and the Air Force Academy, where they had the pleasure of watching a special ceremony and the 4,500 cadets march to their noon meal. After that, drove out to the Royal Gorge and spent the rest of the day walking on the bridge, hanging from cables, or plunging to the bottom of the Gorge. On the way back from the Gorge they took a "Scenic Overlook" drive and gave Les the "Ride of his Death". Later that evening as they settled into their hotel, a still unresolved noise sent the group into chaos. The next morning, Friday, found them heading toward Denver, where Bryon discovered downtown Denver and U.S. Mint. After a few close calls we left downtown Denver for good. Then we headed toward Godlen, found our Holidome and drove out to the Coors Brewery. Everyone found the Hospitality Room to be the most exciting part of the tour. That evening they tried something new and ate Chinese. After swimming and a restfull??? night they took Saturday and went to the Denver Zoo, shopping, the Casa Bonita, and back to the hotel for their last night in Colorado, where they treated Bryon and Sharon to champagne and a romantic evening. The trip home on Sunday proved to be quite uneventful and quiet. All in all the trip was fun and enjoyable. Special thanks to Bryon and Sharon and everyone who made it possible.

We all made it to the bottom of the Gorge!
